

What is Challenge Poverty Week?

**This year Challenge Poverty Week takes place from:
Monday 7th October - Sunday 13th October**

Challenge Poverty Week is an annual campaign and an opportunity to raise your voice against poverty and unite with hundreds of organisations across Scotland in calling for a more just and equal society.

More and more of us are being pulled towards a current of poverty, by rising costs and inadequate incomes that simply don't meet our needs.

Why should Faith Groups get involved?

Faith communities are united in a common concern for the welfare of all people and ensuring justice and compassion are values that society upholds. Faith groups play an important part in Challenge Poverty Week, and have a unique way of gathering people together for a common cause.

In 2023, 500 organisations from across Scotland were involved in Challenge Poverty Week, all joined together in a unified voice and taking action to end the injustice of poverty.

Challenge Poverty Week presents an opportunity to showcase the work you are already doing to tackle poverty or to raise awareness and show the impact of poverty in your community.

Use our suggested social media posts and key messages, which will be available with all our other resources at:

www.povertyalliance.org/CPW

Planning your day-to-day activities and community activities during Challenge Poverty Week would be a great way to participate.

You could highlight your involvement by:

- Sharing key messages, activities and events with the congregation using your usual communication methods (for example: weekly bulletins, newsletters, or posters)
- Use social media and print media to highlight your involvement in Challenge Poverty Week and encourage others to follow your path.

"we shared a wonderful meal together with [#NewScots](#) friends, singing about peace in our world & making rainbow pathways of hope!"

- Faith in Community Scotland @FiCScotland

Actions you can take

- Host a gathering with the congregation or local community - share a meal, or do an activity together.
- Organise a foodbank collection, a clothes recycling event, or something similar to support the local community with things they might need.
- Speak to others about justice, compassion and kindness in daily prayers and sermons.
